Hendricks Chapel Choir

The Hendricks Chapel Choir is an auditioned ensemble representing many of the colleges and majors available at Syracuse University and the SUNY College of Environmental Science and Forestry. One of many all-student choirs within the Setnor School of Music, The Hendricks Chapel Choir rehearses once weekly on Thursday evenings, meets for sectional rehearsals for an additional hour per week. The choir performs regularly as part of Hendricks Chapel's Malmgren Concert Series at 4:00 p.m. on Sundays, and regularly services major University events including Remembrance Convocation, the University Service of Commemoration, and the International Thanksgiving Dinner. The choir travels internationally approximately every four years, and has completed tours in China, Prague, Brazil, Argentina, Uruguay, Germany, Poland, Mexico, and the United Kingdom. The choir plans to have visited every inhabited continent on Earth by the choir's Centennial Jubilee with trips planned to Oceania in 2026 and Africa in 2030. A proud Syracuse area tradition for nearly 100 years, and the oldest extant choir on our campus, past and present members of the Hendricks Chapel Choir embody the best parts of Syracuse University: our students' desire to serve one another, their university, their community, and their world.

Syracuse University Singers

The Syracuse University Singers is the flagship choral ensemble of the Setnor School of Music. They have performed at three Eastern Region conferences of the American Choral Directors Association including 2020 in Rochester, New York, for the National Conference of the National Collegiate Choral Organization in Baton Rouge, Louisiana in 2017, and the Region 2 Conference of the Society of Composers, Inc. in 2022. In May 2015, University Singers won the Grand Prix de Ville de Tours in the Florilège Vocal de Tours, an international competition in Tours, France. The choir competed as a Finalist in the European Grand Prix for Choral Singing held in Varna, Bulgaria in May 2016. Additionally, the ensemble has toured throughout the Eastern United States and Canada. University Singers is comprised of 32-40 undergraduate and graduate students from a variety of disciplines and regularly performs with professional orchestras in Syracuse, New York. Recent masterworks include the Requiems by Brahms, Fauré, and Verdi, Beethoven's *9th Symphony*, Mahler's *2nd Symphony* and Haydn's *The Creation*. The choir's first album, *Mysteries and Wonders*, is available wherever you listen to music. Singers will make its South American debut in May with a concert tour to Brazil.
